

Wah Lee January Revenue Hits Record High of NT\$7.6 Billion

February 6, 2026 Wah Lee Industrial Corp. (3010.TW), a leading provider of high-tech materials and equipment, announced that its consolidated revenue for January reached NT\$7.6 billion, setting a new all-time monthly record. This represents a Year-over-Year (YoY) growth of 8.4% and a Month-over-Month (MoM) increase of 15.1%.

The record-breaking performance is driven by the rapid expansion of Artificial Intelligence (AI) applications. Sustained growth in demand for AI servers, High-Performance Computing (HPC), and advanced semiconductors has created powerful momentum across data centers, cloud computing, and smart manufacturing. These trends continue to bolster the steady development of the supply chains for semiconductors, electronic materials, and related equipment.

About Wah Lee Industrial Corp. : Wah Lee Industrial Corp. was founded in 1968. In order to satisfy the needs from the industry development of Taiwan and the overall operation requirements of the company, we have successfully introduced materials and equipment for industries of PCB, semiconductor, information communication technology, FPD, and green energy. Our goal is to be the leading hi-tech total solution integrator and provider in the Greater China area. The company is headquartered in Kaohsiung, with branch offices in China, Singapore, and ASEAN countries.
